“Year of the Pirate”

Edited by Marty Guillouma

President's Corner

“Mark the Shark” Woodland

By June, many of our seasonal residents were leaving for the summer months but we didn't slow down. The full-time residents kept the club going strong.

On June 16, we kicked off the registration for the 2nd Annual Rob Ainsley Memorial Golf Tournament and everything is really looking great. Again this year, Parady Financial and Streetrod Golf Cars will be our co-sponsors, and they will be great contributors towards another huge successful fundraiser for our Alzheimer's Longest Day.

The Travel Committee trip to Johns Pass and the Calypso Cruise on June 18 was another great time for everyone who attended. Thanks to Sheila Hughes (chair) and Ellen McLees (co-chair) for a wonderful day cruising.

On June 23, Charity hosted the “Angel Wigs of Hope” (AWOH) fundraiser, an organization that supports women dealing with cancer. Our club was proud to present a check for \$5,000 for this outstanding effort. Thanks to Sandi Senator (chair) and her team of volunteers. And thanks for Just Mike and Gary for donating the entertainment.

We ended the month by celebrating **HAPPY INTERNATIONAL PARROT HEAD DAY on June 28** at the Bluefin Grill & Bar in Brownwood. Our members celebrated in typical parrot head style, dressed like typical parrot heads. Wow – what a phun afternoon. Special thanks to our favorite server, Mike Miller for his hard work, and to Mike Fitzgerald for providing the entertainment.

On July 6 & 7, we will begin the 4th blood drive of 2024. Although our club is a little behind last year's totals, so is the state of Florida — We Need Your Help. Remember, you don't have to be a club member to give blood. So, encourage your friends and neighbors to join us and donate at Fire Station 44 on Morse Blvd. Remember – 1 pint of blood helps save the lives of up to 3 people.

The Travel Committee also is planning a July 13 bus trip to attend Margaritaville Night at the Tampa Bay Rays game at Tropicana Field. The Trop Rock Junkies will be playing as the headliner. We will also be joining several other area Parrot Head Clubs in the phun. And of course, there could be a stop at Ferg's Sports Bar, right next to the stadium.

I would like to end by wishing everyone a very Happy 4th of July with your family, friends, and neighbors. Please be safe, especially around fireworks. We want to see everyone again real soon.

Lil Roe, Chair

This month's scramble was not rained out, but thunder and lightning was very threatening. For safety's sake, golfing was stopped. So, there were no June winners. However, several golfers ended up at Cane Garden CC and the majority voted to divide the June money and add it to the July and August golf scramble's winnings, giving a little more money in the pot for the golfers! I will do my best to make sure the teams are all equally proficient - but like they say "on any given Sunday" you just never know how the ball will roll!! Thanks, Lil.

Parrot Heads, we have some new and exciting news! We are going to begin using an automated system for checking into phlockings! Beginning July 3rd at our Cane Garden phlocking, you will receive a **QR Code** sticker to attach to your Parrothead ID.

Our Vision is to have the greeters scan your QR Code as you arrive – easy-peasy! This will prevent waiting in lines, make it easier on the greeters, and streamline the process for those analyzing the data for reporting purposes.

Bonnie Menard is leading the development and rollout of this capability. The July phlockings will begin the distribution for the QR Code stickers with plans to go live in September.

The badge image on the left shows planned sticker application to the back of a Parrothead ID.

While we are currently only using this new system for phlocking attendance, it will be further developed to use at many other events! This will make everything that is currently done manually so much easier and faster, and we are very excited about this new technology for our club!

There is nothing further you need to do, just get your **QR Code** sticker when you check into your next phlocking!
