“Year of the Pirate”

Edited by Marty Guillouma

President's Corner

“Mark the Shark” Woodland

We started May with our “almost” annual Homosassa Bash and it was one to remember. Thanks so much to Ann Blanchard and Lee Caron for again organizing the greatest club’s weekend. That’s the great news; the other news is both have decided to step down after this year. Ann and Lee, thank you for the many wonderful memories. But they are not going anywhere and will be available to help next year’s committee with our theme: “Mother, Mother Ocean”. Don’t be surprised if a BOAT shows up.

The Club had another great blood drive on May 10 & 11 with 275 pints collected that keeps us just a bit over last year at this time. Thank you, Skip Todd and Frannie Durr, for keeping this train rolling. Our next drive will be on July 6 & 7 at Fire Station 44. I hope you can help by donating blood or volunteering during this drive. One pint of blood helps save 3 lives.

Our Operation Shoebox Fundraiser was a huge success. The Club presented a \$2,500 check on May 21 at Cody’s Event. This will assist with sending care packages to our troops overseas. Thanks so much to our corporate sponsor “SECURENET” who donated \$600 worth of scratch-off tickets for our door prize. And thank you Cody’s for donating a delicious buffet and the entertainment.

During our upcoming June flockings, we have some new entertainment at our Cane Garden and Havana Phlockings. Let us know what you think.

On June 18, we have our Johns Pass & Calypso Breeze Cruise. This should be a great time as we have 2 buses of Parrotheads attending.

On June 23, we also have our benefit for “Angel Wigs of Hope”. All proceeds will help out the organization who offers wigs and support to women going through cancer treatment. Tickets are only \$25 and available on our website. This is NOT a Parrothead only event so bring your friends and family. I’m sure everyone knows someone who has suffered from this horrible disease, so let’s help them out!!

That’s all for now Parrotheads. So keep your Phins Up __^__ C U all soon!!

Meet Brenda & Larry Roby

January 5, 2023

They have a great love story that everyone will enjoy reading about.

Jan 2023 - married in Homosassa

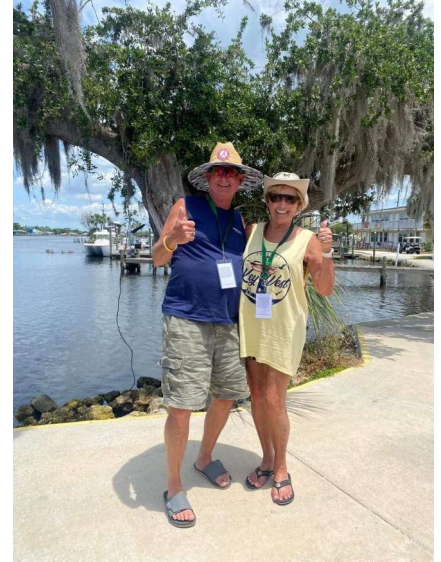

Apr 2023 - moved to The Villages

Apr 2024 - joined The Parrot Head Club

May 2024 - attended the Homosassa Bash

When you see them at a flocking or around the Squares, welcome them to the Club, and congratulate them on their story.

Here it is....

March 5, 2024

Larry was born in Montgomery, AL, where his dad was stationed in the Army. He lived all over the world growing up and enlisted in the Army at age 17. He retired from the Army after 20 years and accepted a job with the federal government from which he also retired. He settled in Georgia for a few years, then eventually retired to Navarre, FL. He is the father of three adult children (two sons, one daughter), two grandsons and one granddaughter.

I was born and raised in Andalusia, AL where I lived most of my life. I retired after working for the Covington County Commission for 30 years. I have two daughters (one deceased) and one grandson. I'm excited about becoming a great-grandmother in September this year!

We moved from Pensacola, FL to The Villages in April 2023, and joined the Parrot Head Club in April this year. It was an easy decision to join, because living along the Gulf Coast, we've loved Jimmy Buffett's music since his career first began. Although we love all of JB's songs, Larry's favorite song is "A Pirate Looks at Forty" and mine is "Come Monday".

Our love story started in February 2022, when we connected on Match.com. Larry's wife of 48 years, and my husband of 50 years, both passed away in 2021. Having been happily married our whole lives, loneliness was out of the question and we sought companionship through online dating apps. We met for lunch and immediately felt the attraction. After a year of dating, we were married on January 5, 2023, at The Florida Cracker Riverside Resort in Old Homosassa (in front of the large oak tree near the pool). We wanted a simple ceremony in a place neither of us had ever been, and we found it! After the 10 am ceremony, we quickly changed into our jeans and tees and had a wonderful day exploring the area and experiencing all the local bars and restaurants. Homosassa will always be special for us! We both love to travel, karaoke, dance, meet new people, and play golf.

We are definitely loving the lifestyle and enjoying The Villages Parrot Head Club. Phins Up!!

Parrotheads gather at phlockings to learn about upcoming activities/ events while enjoying good food, drink, and great live music. Wear your lanyards and enjoy the entertainment and phun!!

Webmaster News: Alan Shimp

5/30/24

As Webmaster, most of my activity is spent adding and removing flyers as events come and go. I also help members when they are not receiving Parrot Head emails. Being a slower month, this article reflects on Parrothead webpages that are both interesting and a bit fun. Links to these websites can be found on our website <https://www.villagesparrotheads.com/>. Check them out!

<https://www.jimmybuffett.com/> is the official website of Jimmy and has a lot of information including links to Margaritaville. **TV and Radio Margaritaville**. There are also opportunities for apparel shopping from past concerts. You can buy a vintage 1979 Cheeseburger in Paradise and/or look for that T-shirt you never bought.

<https://www.margaritaville.com/> is the domain of the Margaritaville Holdings, Inc, of which Jimmy has a 28% stake. The enterprise, founded in 1998, has website links to the various Margaritaville resorts, restaurants and more. Interestingly, Chi-Chi's tried to trademark "Margaritaville" as a drink special. Buffett sued, won, and the terms Jimmy Buffett, Margaritaville, and Parrotheads are now registered trademarks of Margaritaville.

<https://www.buffettnews.com/> was created in 1997 and is "the internet's largest Jimmy Buffett fansite". This fansite includes a discussion board, photo gallery and an archive of Jimmy Buffett concerts. Jimmy had a Nashville concert in 1971 when he was 25 years old, remember?

<https://phlockersmagazine.com/> is a great site if you are looking for current news about TropRock events. It's a monthly online magazine for Parrot Head Clubs worldwide featuring musicians, songwriters, bands, charity events and trop rock music! Phlockers magazine has been in publication for 10 years with its debut issue being September 2014.

Lastly, <https://phip.com/> is the website for Parrot Head Clubs in Paradise (PHIP), established in 1994 as the "Official Jimmy Buffet Fan Club". The website has links to 210 chapters across North America, with The Villages Parrot Head Club being the largest chapter.
